

GOVERNMENT OF INDIA
MINISTRY OF AGRICULTURE AND FARMERS WELFARE
DEPARTMENT OF ANIMAL HUSBANDRY, DAIRYING AND FISHERIES

LOK SABHA
STARRED QUESTION No. *26
TO BE ANSWERED ON 5TH FEBRUARY, 2019

INFRASTRUCTURE AT FISHING PORTS

***26. SHRI SHARAD TRIPATHI:**

Will the Minister of AGRICULTURE AND FARMERS WELFARE कृषि और किसान कल्याण मंत्री be pleased to state:

- (a) whether the Government has conducted any survey to identify such fishing ports where there is scarcity of infrastructure and other facilities;
- (b) if so, the details thereof;
- (c) whether the Government has received proposals from various States to conduct survey of fishing ports in certain coastal States; and
- (d) if so, the details of the proposals submitted for setting up of new fishing ports during the last three years and the current year, State and UT-wise?

ANSWER

THE MINISTER OF AGRICULTURE AND FARMERS WELFARE
(SHRI RADHA MOHAN SINGH)

(a) to (d) : A Statement is placed on the Table of the House.

Statement referred to in reply to the Lok Sabha Starred Question No. 26 put in by Shri Sharad Tripathi, Member of Parliament for answer on 5th February, 2019 regarding Infrastructure at Fishing Ports

(a) to (d) : Formulation of proposals, construction, post-construction management of the fishing harbours are done by the concerned State Governments /Union Territories(UTs) and in some cases by the Port Trusts. To seek the central financial assistance under the Centrally Sponsored Scheme (CSS) on Blue Revolution: Integrated Development and Management of Fisheries, the concerned State Governments/UTs/ Port Trusts are required to complete all pre-implementation activities such as (i) identification and selection of suitable site, (ii) completion of necessary engineering and socio-economic investigations and surveys, (iii) planning and designing of fishing harbour facilities, (iv) hydraulic model studies wherever required, (v) environmental impact studies, (vi) acquisition of necessary land and (vii) formulate Detailed Project Reports(DPRs). The concerned State Government/Port Trust is required to submit the DPR along with confirmation of availability of land, environmental clearance and willingness to meet their financial share for construction of new fishing harbours and also expansion of the existing fishing harbours for central financial assistance under the CSS.

The Ministry of Agriculture and Farmers Welfare, Department of Animal Husbandry, Dairying and Fisheries through one of its institutes namely Central Institute of Coastal Engineering for Fishery(CICEF), Bengaluru also assist the State Governments/UTs/ Port Trusts in conducting necessary surveys to assess the infrastructure gaps in the existing fishing harbours, conducting required engineering & economic investigation and formulation of proposals for construction of new fishing harbour facilities. CICEF, Bengaluru based on the request of the State/UT during the past three years conducted surveys at (i) two fishing harbours in Puducherry namely at Thengaithittu and Karaikal to assess the infrastructure gaps and demands, (ii) one fishing harbour at Astranga in Orissa for its phase-II expansion and (iii) Alternative fishing harbour in Gopalpur in Orissa.

Details of the proposals submitted by the States/UTs for setting up new fishing harbours as well as expansion/modernisation of the existing ones during the past three years and current year under the CSS are furnished at Annexure-I. Details of the fishing harbour proposals submitted by the States under Fisheries and Aquaculture Infrastructure Development Fund (FIDF) are furnished at Annexure-II.
