TO BE ANSWERED ON 11.02.2019
Vocational Colleges

†1285.   SHRI MANSHANKAR NINAMA:

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a)   the existing number of Self-Financed Vocational colleges in the country, State-wise;

(b)   the number of these colleges and the students studying therein;

(c)   whether all these colleges are working in compliance with the norms prescribed by the All India Council for Technical Education (AICTE) and National Council for Teacher Education (NCTE);

(d)   if not, the reasons for allowing such colleges to function;

(e)   whether the students studying in these colleges are transferred to other colleges in case the permission to operate such colleges is cancelled; and

(f)   if so, the details thereof?

ANSWER
MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT

(DR. SATYA PAL SINGH)

(a) to (f) : The self financed colleges imparting vocational education under various streams are under the purview of various regulatory authorities under different departments and therefore data in respect of vocational colleges is not centrally maintained.

However, University Grants Commission (UGC) is implementing three schemes namely Community College, B.Voc. Degree Programme & DDU KAUSHAL Kendras in Universities and colleges imparting skill based vocational courses. A list of 31 existing self financing institutions approved by UGC along with their approved course on self-financed mode is placed at Annexure- A. The student enrolment in these self-financed vocational colleges is not maintained by UGC.

All India Council of Technical Education (AICTE) grants approval to institutions only after verifying about their adherence to the norms and standards prescribed in its Approval Process Handbook. If such institutes seek permission to close, the same is considered and allowed by AICTE after transfer of students to nearby AICTE approved institutions. However, no such cases have been reported so far.
