MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्रालय में राज्य मंत्री (SHRI PARSHOTTAM RUPALA)

- (a) & (b): No Madam. Floriculture has made appreciable growth in the last two decades as a commercial venture with the support through centrally sponsored scheme of Mission for Integrated Development of Horticulture (MIDH). The details/ quantum of flowers produced in various States during last three years are given in **Annexure I**.
- (c): The country has exported 20703 MT of floriculture products to the World worth Rs. 507.31 crores in 2017-18. Flowers are exported from India to about 150 countries in the World and India's share in the world floriculture trade and exports is less than 1%.

- (d): Area expansion and the steady increase in production figures do not indicate adverse impact of lack of irrigation.
- (e): Financial assistance is available for promotion of floriculture through Mission for Integrated Development of Horticulture (MIDH) for area expansion, protected cultivation, creation of water resources, mechanization, post harvest management and human resource development activities etc. The cost norms and pattern of assistance are furnished in **Annexure II**.
- (f): State wise assistance under MIDH for promotion of floriculture since inception (i.e. 2014-15) is given in **Annexure III**.
