MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्रालय में राज्य मंत्री (SHRI PARSHOTTAM RUPALA)

(a) to (d): No Madam. However, the Government has set a target of doubling of farmers' income by the year 2022. The Government has constituted an Inter-Ministerial Committee to examine issues relating to doubling of farmers' income and recommend a strategy to achieve doubling of farmers' income in real terms by the year 2022. The Committee has submitted its report.

The Committee has identified seven sources of income growth viz., improvement in crop productivity; improvement in livestock productivity; resource use efficiency or savings in the cost of production; increase in the cropping intensity; diversification towards high value crops; improvement in real prices received by farmers; and shift from farm to non-farm occupations.

Several initiatives have already been taken among each of the above mentioned strategies which inter-alia include:

- (i) Initiating market reforms through the State Governments.
- (ii) Encouraging contract farming through the State Governments by promulgating of Model Contract Farming Act.
- (iii) Up-gradation of Gramin Haats to work as centers of aggregation and for direct purchase of agricultural commodities from the farmers.
