TO BE ANSWERED ON 05 FEBRUARY, 2019

ALLOCATION OF FOODGRAINS TO BPL FAMILIES

380. SHRI DEVUSINH CHAUHAN:

Will the Minister of CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION उपभोक्ता मामले, खाद्य और सार्वजनिक वितरण मंत्री be pleased to state:

(a) whether subsidised/free foodgrains are distributed to the poor particularly to the weaker section of the society through the Public Distribution System (PDS);

(b) if so, the details thereof indicating the number of Below Poverty Line (BPL) families along with the quantum of various items allocated and actually distributed during each of the last three years, category and State-wise;

(c) whether the allocation of some States has been reduced recently, if so, the details thereof and the reasons therefor;

(d) whether requests have been received from the States for restoration/additional allocation, if so, the details thereof and the response of the Government thereto, State-wise; and

(e) whether incidents of black marketing/irregularities in PDS have been reported during the said period, if so, the details thereof and the corrective steps taken thereon?

A N S W E R  
MINISTER OF STATE FOR CONSUMER AFFAIRS, FOOD & PUBLIC  
DISTRIBUTION  
(SHRI C. R. CHAUDHARY)

---

(a) & (b) : The National Food Security Act, 2013 (NFSA) provides for coverage of upto 75% of rural population and upto 50% of urban population for receiving highly subsidized foodgrains under Targeted Public Distribution System (TPDS), thus covering about two-thirds of the total population. Coverage under the Act has been delinked from the poverty estimates and is substantially high to ensure that all the vulnerable and needy sections of the society get its benefit.

Identification of beneficiaries under the Act is under two categories- households covered under Antyodaya Anna Yojana (AAY) to the extent specified by the Central Government and the remaining households as priority households to be identified by the State Governments/ Union Territories (UT) Administrations as per criteria evolved by them, within the coverage determined for the State/UT. Beneficiaries covered under NFSA are entitled to receive foodgrains at Rs. 1/2/3 per kg for coarsegrains/ wheat/ rice respectively, under the Act. State/UT-wise, category wise details of allocation and offtake of rice and wheat under NFSA for the last three years are at Annexure - I.

(c) & (d): State/UT-wise allocation of foodgrains has been fixed under the NFSA as per Schedule IV of the Act. No reduction in this allocation has been done by the Government. Details of State/UT-wise allocation under NFSA are at Annexure - II.

In addition, if the annual allocation of foodgrains to any State under the Act is less than the average annual offtake of foodgrains for last three years under normal Targeted Public Distribution System, the same is protected at prices as may be determined by the Central Government.

Additional allocation made to the States for festivals, natural calamities etc is at Annexure - III.

(e): There have been complaints about irregularities in the functioning of the Targeted Public Distribution System (TPDS) in some States/regions in the country. As and when complaints are received from individuals and organizations as well as through press reports, these are referred to the State Governments/UT Administrations concerned for inquiry and appropriate action. A State/UT-wise statement indicating number of such complaints received during the last three years is at Annexure - IV.

Under TPDS (C) Order, 2015, the State/UT Governments are responsible for implementing TPDS and are competent to take action against those indulging in malpractices in TPDS by invoking provisions of relevant clauses of the said Order. An offence committed in violation of the provisions of the Order is liable for penal action under the Essential Commodities Act, 1955.

Further, with the objective to check leakages and diversion of foodgrains, remove bogus/ ineligible rations cards, better targeting of food subsidy, the Government is implementing a scheme of end-to-end Computerization of TPDS operations, which comprises of digitization of ration cards/ beneficiary and other databases, computerization of supply-chain management, setting up of transparency portals and grievance redressal mechanisms etc. During the process of digitization of beneficiaries database, de-duplication, Aadhaar seeding, in the run up to implement of NFSA, 2.98 crore ration cards have been deleted during 2013 to 2018 due to detection of Ghost/fraudulent/ duplicate/ ineligible/ migration/ deaths etc.
