

GOVERNMENT OF INDIA
MINISTRY OF CONSUMER AFFAIRS, FOOD & PUBLIC DISTRIBUTION
DEPARTMENT OF FOOD AND PUBLIC DISTRIBUTION

LOK SABHA
UNSTARRED QUESTION NO. 450
TO BE ANSWERED ON 05 FEBRUARY, 2019

PROCUREMENT AND DISTRIBUTION OF FOODGRAINS

450. SHRI ALOK SANJAR:

Will the Minister of CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION उपभोक्ता मामले, खाद्य और सार्वजनिक वितरण मंत्री be pleased to state:

- (a) the process prescribed or adopted by the Government for procurement of foodgrains by various agencies;
- (b) the details of the foodgrains procured by various agencies during each of the last three years and the current year, State-wise; and
- (c) whether any monitoring mechanism is available to check the irregularities committed by various agencies engaged in procurement and distribution of foodgrains and if so, the details thereof?

A N S W E R

MINISTER OF STATE FOR CONSUMER AFFAIRS, FOOD & PUBLIC DISTRIBUTION
(SHRI C. R. CHAUDHARY)

(a): There exists a transparent and uniform policy for procurement of foodgrains by Government Agencies. Under this policy, wheat and paddy, offered by farmers, within the stipulated period and conforming to the specifications (Fair Average Quality norms) prescribed in advance by Government of India (GOI), are purchased at Minimum Support Price (MSP) by the State Government agencies and Food Corporation of India (FCI) for Central Pool. Procurement of wheat and paddy/rice is carried out under two modes of procurement: (i) Centralized (Non-DCP) and (ii) Decentralized Procurement (DCP) Systems.

Under Centralized Procurement (Non-DCP) System, the procurement of foodgrains(wheat & paddy) in Central Pool is undertaken either by FCI directly or by State Government Agencies (SGA). Quantity procured by SGAs is handed over to FCI for storage and issue against GOI allocations.

Under DCP system, the State Government/its agencies procure, store and distribute rice and wheat against GOI's allocation for Targeted Public Distribution System (TPDS) and Other Welfare Scheme (OWS) within the State. The excess stocks (rice & wheat) procured by the State /its agencies are handed over to FCI in Central Pool. The expenditure incurred by the State Government on procurement, storage and distribution of DCP stocks is reimbursed by GOI as per the laid down principles.

Coarsegrains are procured by State Governments as per the procurement plan prepared in consultation with FCI and approved by the Central Government for distribution under Targeted Public Distribution System (TPDS) and Other Welfare Scheme (OWS).

In order to ensure remunerative prices to farmers for their produce, the Government of India has launched an umbrella scheme 'Pradhan Mantri Annadata Aay SanraksHan Abhiyan' (PM-AASHA). Under PM-AASHA, the Department of Agriculture, Cooperation and Farmers Welfare (DAC&FW), Ministry of Agriculture & Farmers Welfare implements the Price Support Scheme (PSS) for procurement of pulses, oilseeds and copra. For oilseeds, DAC&FW also implements the Price Deficiency Payment Scheme (PDPS). However, States/UTs have the option to choose either PSS or PDPS in a given procurement season with respect to a particular oilseed crop for the entire State. Besides, DAC&FW also implements Private Procurement & Stockist Scheme (PPSS) for oilseeds on pilot basis and States have the option for implementation of PPSS in district/selected APMC(s) of district involving the participation of private stockist.

(b): State-wise/agency-wise procurement of paddy and wheat for Central Pool during the last three years and the current year is enclosed as Annexure-I & II respectively. Details of procurement of coarse grains are at Annexure-III. The statement indicating details of state-wise/agency-wise procurement of pulses and oilseeds at MSP for last three years and the current year is at Annexure-IV.

(c): There is in place a well established Monitoring Mechanism for the procurement and the distribution activities:

1. Joint inspection of foodgrain stocks by officials of FCI & State Government on regular intervals.
2. Online Procurement Monitoring System (OPMS) for collecting information on the procurement of wheat and rice.
3. An Online Procurement System as part of Depot Online System for procurement of Food Grains from farmers by FCI.
4. Checks/Super checks by various authorities to ensure procurement of stocks as per prescribed specifications. In addition to this, squads are sent from Hqrs., Zonal Offices & Regional Offices.
5. Analysis of samples in Quality Control Laboratories.
6. Regular inspection of Fair Price Shops (FPS) and godowns, creation of vigilance committees at the FPS, Block, District and State levels and constitution of State Food Commissions.

ANNEXURE REFERRED TO IN REPLY TO PART (b) OF THE UNSTARRED QUESTION NO. 450 DUE FOR ANSWER ON 5TH FEBRUARY, 2019 IN THE LOK SABHA
