- (b) if so, the details thereof and whether the Government has also identified the locations for the purpose; and
- (c) if so, the details thereof and expected funds required for this purpose

**ANSWER**

THE MINISTER OF STATE IN THE  
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS

(SHRI MANSUKH L. MANDAVIYA)

(a) Yes, Madam. CCEA, in October 2017, has accorded in-principle approval for the development of 35 multimodal logistics parks as a part of the National Corridor Efficiency Enhancement Programme (NCEEP) under Bharatmala Pariyojana to improve efficiency of the road freight movement in the country. Logistics Parks will enable optimum and efficient vehicular movement in the country and thus lead to reduction in vehicular pollution and congestion. Further, shifting warehouses, currently being operated inside city limits, to logistics parks will enable reduction in warehousing cost. In addition, modern and mechanized storage solutions provided by logistics parks will enable reduction in storage and handling costs.

(b) A network of 35 multimodal logistics parks has been identified and list of same as per Bharatmala SOP dated 21.12.2017 is placed at **Annexure-I**.

(c) Development of 35 multimodal logistics parks is part of Bharatmala Pariyojana and expected funds required for development of Multi-modal Logistics Park is to be meet out from estimated outlay of Rs. 5,35,000 crore for Bharatmala Pariyojana as approved by CCEA.
