STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (e) OF STARRED QUESTION NO.167 BY SHRI RAJAN VICHARE TO BE ANSWERED IN LOK SABHA ON 03.07.2019 REGARDING REFURBISHMENT OF STATIONS

(a): Yes, Sir. Refurbishment/upgradation of stations under various developmental schemes is a continuous and ongoing process. Presently, upgradation of stations is done under 'Adarsh' station scheme. 1253 stations have so far been identified for upgradation under the 'Adarsh' station scheme. Against these, 1103 stations have already been developed and remaining 150 number are targeted to be developed by 2019-20.

Additionally, in financial year 2018-19, 68 stations have been substantially upgraded through Zonal Railways under the work of "Soft upgradation of stations." Various amenities like improvement to façade of the station building, improvement of circulating areas duly streamlining the traffic flow, improvement to platform surface, improvement to existing waiting halls & retiring rooms, toilet facilities, provision of Foot Over Bridges, provision of lifts and escalators etc. have been provided. List of above mentioned 68 stations is appended.

(b) to (e) At Thane Station, two Foot Over Bridges (06 metres wide) have been constructed, one at each end of the station. Works for raising of Platform No.5, 6, 9, 10 & 10A have been completed. Lifts and escalators are also provided at Thane Railway Station. A parking plaza building adjacent to Platform No.1 has been provided and work for an additional floor above parking plaza has been initiated. A deluxe toilet has also been provided at platform No.10A.
