- (a) the details of the road construction projects that are following the “Value Engineering Program” model; and
- (b) the details about the cost effectiveness of this model?

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (b) The development/upgradation of any National Highway(NH) is taken up based on the outcome of Detailed Project Report (DPR). Various aspects such as technical, social & environmental are studied and accordingly the proposal for development/upgradation of NH is finalized. The DPR also incorporate the aspects of value engineering, quality audit, safety audit etc. in design and implementation.

The preparation of DPR and implementation of projects is dealt by the various implementing agencies such as NHAI, NHIDCL, PWD etc.
