(a) to (c) Public Health is a State subject. Setting up of Ayurveda Health Clinics comes under purview of State/UT Governments. However, Central Government is implementing Centrally Sponsored Scheme of National AYUSH Mission (NAM) across the country including rural area to boost the health services through the following activities:

- (i) Co-location of AYUSH facilities at Primary Health Centers (PHCs), Community Health Centers (CHCs) and District Hospitals (DHs).
- (ii) Up gradation of exclusive State Government AYUSH Hospitals and Dispensaries.
- (iii) Setting up of up to 50 bedded integrated AYUSH Hospital.
- (iv) Supply of essential drugs to AYUSH Hospitals and Dispensaries.

Through these centres AYUSH healthcare services and medicines including Ayurveda are being provided to the public.
