ANSWER

**MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SHRI RAMESH POKHRIYAL 'NISHANK')**

(a) to (b): The state-wise vacancies of teachers for the year 2018-19 in respect of Secondary and Senior Secondary Education is at **Annexure-I**. Under Samagra Shiksha financial assistance is provided for special educators, the number of such special educators State/ UTs wise is at **Annexure-II**. The data related to vacancy of special educator is not maintained at Central level.

(c) to (e): The recruitment of teachers is a continuous process and the vacancies keep arising due to retirement and additional requirements on account of enhanced students' strength. Education is in the concurrent list of the Constitution. The recruitment, service conditions and deployment of teachers come under the purview of the concerned State/Union Territory (UT) Government. However, Ministry of Human Resource Development has been requesting all the States and UT Governments for filling-up the vacant posts of teachers and their rational deployment, for which the Ministry issues advisories to all States and UTs from time to time.

Further, the Central Government through the Centrally Sponsored Scheme of Samagra Shiksha, provides assistance to the States and UTs for deployment of additional teachers to maintain appropriate Pupil Teacher Ratio as per the prescribed norms for various levels of schooling, and for induction and in-service training of teachers.

Section 23 (1) of the Right of Children to Free and Compulsory Education (RTE) Act, 2009 stipulates that any person possessing such minimum qualifications, as laid down by an academic authority, authorized by the Central Government, by notification, shall be eligible for appointment as a teacher. Accordingly, the Central Government has notified the National Council for Teacher Education (NCTE) as academic authority for recruitment of teachers.

Additionally, NCTE, mandated for providing quality teacher education to the prospective teachers, has set norms and standards for infrastructure, instructional facilities and qualification and experience of faculty for the teacher education institutions in which teachers are trained. For this purpose, NCTE has revised its Recognition, Norms and Procedure, Regulations 2014.
