GOVERNMENT OF INDIA
MINISTRY OF COMMERCE & INDUSTRY
DEPARTMENT FOR PROMOTION OF INDUSTRY AND INTERNAL TRADE

LOK SABHA

UNSTARRED QUESTION NO.1877.
TO BE ANSWERED ON WEDNESDAY, THE 3RD JULY, 2019.

STATUS OF TECHNOLOGY HUBS

1877. SHRI KALYAN BANERJEE:

Will the Minister of **COMMERCE AND INDUSTRY** be pleased to state:
वाणिज्य एवं उद्योग मंत्री

(a) whether the Government is aware that India is fourth ranked destination spot in technology development hub;

(b) if so, the present status of tech hubs in the country, State-wise;

(c) the details of proposal of the Government to set up and expand new tech hubs and FDI investments in the country; and

(d) the details of FDI received in actual during 2014-19 period therein?

ANSWER
वाणिज्य एवं उद्योग मंत्री (श्री पीयूष गोयल)
THE MINISTER OF COMMERCE & INDUSTRY
(SHRI PIYUSH GOYAL)

(a): The US firm KPMG has released a report based on 750 industry representatives including start-up entrepreneurs and FORTUNE 500 executives titled 'The Changing Landscape of Disruptive Technologies'. The Report ranks India in third place, as 13 percent of the respondents indicated India's potential for technology breakthroughs. However, no such assessment is made by the Government.

(b) & (c): Currently, 59 Software Technology Parks of India (STPI) Centres are operational across the country out of which 51 Centres are in Tier-II/ III locations. Further, 24 new STPI Centres have been approved by the Governing Council of STPI which are at various stages of implementation. (Annexure 1)

Technology Development Programmes (TDP): Department of Science and Technology has been implementing Technology Development Programmes (TDP) to facilitate conversion of proof-of-concepts for technologies/ techniques/ processes/products into advance prototypes

for validation and demonstration in field settings. The main objectives of the program include:

- Support R&D for development of innovative technologies in identified areas.
- Promote application of advanced technology for improving the performance and value addition to existing technology.
- Capacity building in the area of technology development in terms of human resource and infra-structure.

The sub schemes of TDP are:

- Advanced Manufacturing Technologies (AMT) aligning to Make in India
- Biomedical Device and Technology Development Program (BDTD) aligning to Swasth Bharat
- Device Development Program (DDP) aligning to Make in India
- Science and Heritage Research Initiative (SHRI)
- Technology Development Program (TDP) aligning to Make in India

- Technology Mission for Indian Railways (TMIR) aligning to Make in India
- Waste Management Technologies (WMT) aligning to Swachh Bharat and Smart City

No data of FDI is maintained based on Industrial Estates or on geographical location other than States.

(d): During the period 2014-2019 FDI Inflow of US $ 286.28 billion (provisional) have been reported in the country.
