Promote Engineering Students

†2439. **SHRI AJAY MISRA TENI:**

Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

- (a) whether the Government proposes to promote the engineering students carrying out research work using new technique for taking up short term service in the education sector;
- (b) if so, the details thereof;
- (c) whether there is any plan for providing the benefit of knowledge of technical education obtained graduates to the children upto secondary level by making them teacher for short-term period of four years under new education policy; and
- (d) if so, the details thereof?

**ANSWER
MINISTER OF HUMAN RESOURCE DEVELOPMENT**

(SHRI RAMESH POKHRIYAL 'NISHANK')

(a) to (d): The All India Council for Technical Education (AICTE) encourages students to undertake teaching as a career through schemes such as Post Graduate Scholarship and National Doctoral Fellowship. Fellows of 'Prime Minister Research Fellowship (PMRF)' scheme are also expected to teach once a week in a neighbourhood ITI/ polytechnics/engineering college. The draft new education policy does not recommend for making technical graduates as teachers upto secondary level for short term period of four years.
