

GOVERNMENT OF INDIA  
MINISTRY OF AGRICULTURE AND FARMERS WELFARE  
DEPARTMENT OF AGRICULTURE, COOPERATION AND FARMERS WELFARE

**LOK SABHA**  
UNSTARRED QUESTION NO. 2573  
TO BE ANSWERED ON THE 9<sup>TH</sup> JULY, 2019

**PRODUCTION AND CONSUMPTION OF FOODGRAINS**

2573. SHRI RAJIV PRATAP RUDY:

Will the Minister of AGRICULTURE AND FARMERS WELFARE कृषि एवं किसान कल्याण  
मंत्री

be pleased to state:

- (a) whether the Government has made any assessment regarding production and consumption of foodgrains based on minimum requirement in the country;
- (b) if so, the details thereof along with the per capita net availability per day of cereals, pulses, onions, sugarcane and other foodgrains during each of the last three years and the current year, crop-wise and State-wise;
- (c) whether the area under cultivation of these crops has declined in the country during the above period;
- (d) if so, the details thereof, crop and State-wise along with the reasons therefor; and
- (e) the steps taken/proposed to be taken by the Government to enhance acreage of crops and to ensure adequate per capita availability of staple food crops in the country?

**ANSWER**

MINISTER OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्री (SHRI NARENDRA SINGH TOMAR)

(a) & (b): Yes Sir, a Working Group on Crop Husbandry, agricultural Inputs, Demand and Supply Projections of National Institution for Transforming India (NITI) Ayog has assessed demand for foodgrains, animal and horticultural products based on Household Consumption Approach.

Further, for every agricultural year (July-June), the Directorate of Economics & Statistics (DES) under Ministry of Agriculture and Farmers Welfare releases four Advance Estimates followed by Final Estimate of production of major agricultural crops of the country. The crop-wise and state-wise details of production of cereals, pulses, onions, sugarcane and other foodgrains in the country during the last three years i.e. 2016-17 to 2018-19 (as per 3<sup>rd</sup> Advance Estimate of foodgrains and 2<sup>nd</sup> Advance Estimate of onion) are given at **Annexure – I**.

- 2 -

The first comprehensive assessment of area under cultivation of major crops (both kharif and rabi) in the country during whole agriculture year (i.e. July to June) is available with Second Advance Estimates normally released around mid-February. Therefore, the production data of major crops for current year i.e. 2019-20 is not available.

State-wise per capita net availability per day of cereals, pulses, and other foodgrains is not maintained by this Ministry. However, the per capita net availability per day of cereals, pulses, and other foodgrains in the country during each of the last three years is as under:

Crops	Per capita net availability per day (in grams)		
	2016	2017	2018 (Provisional)
Rice	184.2	183.0	186.2
Wheat	199.7	182.7	174.4
Cereals	443.7	434.0	429.4
Pulses	43.0	54.7	54.5
Foodgrains	486.8	488.7	484.3

The per capita net availability per day of onion and sugarcane is not available.

(c) & (d): Depending upon several factors including availability of cultivable land, vagaries of nature, agro-climatic conditions, availability of water in reservoir, inter-crop relative profitability, etc, the area coverage of these crops during last three years has been fluctuating.

The details of area coverage under these crops in the country during the last three years i.e. 2016-17 to 2018-19 (as per 3<sup>rd</sup> Advance Estimate of foodgrains and 2<sup>nd</sup> Advance Estimate of onion) are given at **Annexure-II**.

(e): In order to increase acreage and production of major crops, Government has been implementing various schemes viz. National Food Security Mission (NFSM), Bringing Green Revolution to Eastern India (BGREI), Soil Health Card (SHC) scheme, Neem Coated Urea, Paramparagaat Krishi Vikas Yojana (PKVY), Pradhan Mantri Krishi Sinchai Yojana (PMKSY), National Agriculture Market Scheme (e-NAM), Pradhan Mantri Fasal Bima Yojana (PMFBY), Interest Subvention Scheme, Mission for Integrated Development of Horticulture (MIDH) etc.

Further, Government has substantially increased Minimum Support Prices (MSPs) for all mandated crops assuring a minimum return of 50% over all-India weighted average cost of production.

**Annexure referred to in reply to Parts (a) & (b) of Lok Sabha Unstarred Question No. 2573  
due for reply on 09.07.2019**
