(b): At present, 11 tea gardens are closed in the country. The main reasons for closure of these gardens are attributed to poor yield of the estates, ageing bush profile and high vacancy percentage in tea area, negligible uprooting / replanting of age old tea bushes for years, poor garden management practices, falling quality and price realizations, overall lack of development perspective, highly debt oriented funding strategy, ownership disputes etc.

The details indicating state-wise closed tea estates (T.E) and number of workers affected therein are as under:

SI.	Name of the T.E	State/UT	No. of Workers affected

The following steps have been taken by the Government for revival of the closed tea estates in the country:

- (i) The Dheklapara Tea Estate was officially liquidated by the Hon'ble Calcutta High Court. The garden was put up for e-auction by the Hon'ble Calcutta High Court (Official Liquidator) on 11th May, 2012, but no prospective buyer was available. The West Bengal Govt. has cancelled land lease in respect of Bundapani, Redbank, Dharanipur, Surendranagar and Madhu tea estates and taken possession of the land to find out new entrepreneur.
- (ii) A committee headed by the District Magistrates in North Bengal districts regularly monitors the welfare measures and different schemes introduced by the State government in the tea gardens.
- (iii) The Govt. of Kerala has constituted Plantation Workers' Relief Fund in the districts of Thiruvananthapuram, Palakkad, Waynad and Idukki. The fund is utilized for the relief activities such as nutritious food, study materials, note books, school bags, umbrellas etc. to the children of workers in the closed gardens of the state. Medical camps are being organised and financial assistance extended for the medical treatment of deadly diseases to the labours.
- (c): The Tea Board under the Tea Development & Promotion Scheme is extending financial assistance to the small growers for uprooting and replanting, rejuvenation, pruning, irrigation, assistance to Self Help Groups (SHGs), field mechanization, assistance to Farmers' Producers Organizations (FPOs), annual award for SHGs & FPOs, setting up of new factories by FPOs, setting up mini factories, workshop/training, development & promotion of organic farming/organic conversion, etc.
