ANSWER

THE MINISTER OF STATE FOR JAL SHAKTI & SOCIAL JUSTICE AND EMPOWERMENT

(SHRI RATTAN LAL KATARIA)

(a) & (b) The National Perspective Plan (NPP) was prepared by the then Ministry of Irrigation (now Ministry of Jal Shakti) in August 1980 for water resources development through inter basin transfer of water, for transferring water from water surplus basins to water-deficit basins. Under the NPP, the National Water Development Agency (NWDA) has identified 30 links (16 under Peninsular Component and 14 under Himalayan Component) for preparation of Feasibility Reports (FRs). The details of above river linking projects viz., rivers, States concerned are given at **Annexure**.

The Draft Detailed Project Report (DPR) of Godavari-Cauvery link project consisting of three projects viz; Godavari (Inchampalli/Janampet)-Krishna (Nagarjunasagar), Krishna (Nagarjunasagar) – Pennar (Somasila), Pennar (Somasila)-Cauvery (Grand Anicut) link projects has been completed and circulated to party States.

(c) & (d) Under the Himalayan Component of NPP for Water Resources Development, the following three link projects in series have been identified for diversion of surplus waters of tributaries of Brahmaputra to Mahanadi and further south.

- i) Manas-Sankosh-Teesta-Ganga link project
- ii) Ganga-Damodar-Subernarekha link project
- iii) Subernarekha-Mahanadi link project

NWDA has prepared the draft FR of Manas-Sankosh-Teesta-Ganga link project. The draft FR of Ganga-Damodar-Subernarekha link project and Subernarekha-Mahanadi link project have also been completed by NWDA. The Subernarekha-Mahanadi link project envisages to be integrated with Mahanadi-Godavari link and the surplus waters will be further transferred towards south upto Gundar through series of links under the Peninsular Component of NPP, i.e. Mahanadi-Godavari-Krishna-Pennar-Cauvery-Vaigai-Gundar rivers link.

ANNEXURE REFERRED TO IN REPLY TO PART (a) & (b) OF UNSTARRED QUESTION NO.3055 TO BE ANSWERED IN LOK SABHA ON 11.07.2019 REGARDING “LINKING OF CAUVERY AND GODAVARI”.
