ANSWER THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYURVEDA, YOGA & NATUROPATHY, UNANI, SIDDHA AND HOMOEOPATHY (SHRI SHRIPAD YESSO NAIK)

- (a) & (b): Drugs and Cosmetics Act, 1940 and Drugs & Cosmetics Rules, 1945 have exclusive provisions for regulation and quality control of Ayurvedic medicines. Central Government makes and amends the legal provisions and issues directions to the State Governments from time to time on the basis of emerging regulatory needs. As such State Governments are responsible to appropriately enforce the regulatory provisions for licensed manufacturing and quality control of Ayurvedic medicines, for which Licensing Authorities, Drug Controllers, Inspectors and Government Analysts are appointed. Ministry of AYUSH has published Essential Drugs List of Ayurveda and extends support through Centrally Sponsored Scheme of National AYUSH Mission for supply of such Ayurvedic medicines to dispensaries & hospitals and for strengthening the infrastructural and functional capacities of the State Ayurvedic Pharmacies, Drug Testing Laboratories, Enforcement Framework to induce effective quality control of Ayurvedic medicines. A number of Central Sector Schemes all also implemented for promoting and popularizing Ayurvedic and other AYUSH medicines.
- (c) & (d): Pilot clinical studies for generating proof of effectiveness of certain categories of Ayurvedic medicines is the requirement provided in the Rule 158-B of the Drugs and Cosmetics Rules, 1945 to grant manufacturing license. Any amendment in the Drugs & Cosmetics Rules with regard to clinical trials of Ayurvedic medicines is not intended as of now since there is no such recommendation or proposal under consideration.
