- (c) if so, the details thereof, school-wise along with the expenditure made in this regard; and
- (d) if not, the time by which the Government is likely to provide building and other facilities to the said schools?

ANSWER

**MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SHRI RAMESH POKHRIYAL 'NISHANK')**

- (a) During the last two years i.e. 2017-18 & 2018-19, 59 Kendriya Vidyalayas (KVs) have been set up in the country.
- (b) & (c) No new buildings and classrooms have been provided to these KVs set up in the last two years. However, all the KVs set up during the last two years are functioning in suitable & sufficient rent free temporary accommodation provided by the sponsoring authority as per the norms of KVS.
- (d) Construction of permanent buildings for KVs is a continuous process, which depends upon identification of suitable land, completion of lease formalities in favour of KVS by the sponsoring authorities, submission of drawings / estimates by construction agency, availability of funds and requisite approvals etc. As such, no definite time frame can be given in this regard.
