**ANSWER**

**Minister of State (Finance) (Shri Anurag Singh Thakur)**

(a) to (d): Foreign Direct Investment is either received under automatic route or proposals are received by the respective Ministries/Departments of the Government of India depending on the sector to which the entity belongs. As regards domestic investment, Ministry of Statistics and Programme Implementation maintains the details of Gross Capital Formation. A statement indicating quarter-wise details of foreign direct investments inflow in India from the quarter ending December 2017 to quarter ending March 2019 and the Gross Capital Formation for the years 2015-16 to 2017-18 is at **Annexure-I**.

The quantum of Investment depends on various factors, domestic as well as global. However, there is no uniform pattern of investments. The overall investment as measured by Gross Capital Formation has been growing steadily.
