ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

- (a) to (c) Ministry of Road Transport and Highways is primarily responsible for the development and maintenance of National Highways (NHs) in the country. There are no National Highways in the UT of Lakshadweep. This Ministry also allocates funds to State Governments for development of State Roads (other than Rural Roads) under the Central Road Fund (CRF), now amended as Central Road & Infrastructure Fund (CRIF), as per provisions of erstwhile CRF Act, 2000. However, no proposal of State Road has been received by this Ministry from UT of Lakshadweep for sanction.
