ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) & (b) Total nos. of underpasses/over bridges constructed on National Highways in the country during last three years is 1640, out of which 92 have been constructed in Gujarat. Underpasses/over bridges are constructed generally as integral part of road projects except in few cases. Hence funds spent for construction of underpasses/over bridges are not maintained separately.

(c) No request has been received from Government of Gujarat for construction of underpass at Ch. 264 (Karan) on NH 8 and Kanav Patia on NH 53.

(d) & (e) Do not arise.
