- (c) whether the Government has conducted any study/assessment in this regard;
- (d) if so, the details thereof; and
- (e) the steps taken being taken by CIL to check the pollution of rivers?

### **ANSWER**

# MINISTER OF PARLIAMENTARY AFFAIRS, COAL AND MINES (SHRI PRALHAD JOSHI)

- (a) & (b): Mines and washeries of Coal India Limited subsidiaries take safeguard as per Environmental Impact Assessment / Environmental Management Plan (EIA/EMP), approved by Ministry of Environment Forest and Climate Change (MoEF&CC) to prevent pollution to rivers, streams etc.
- (c) & (d): As mandated under the Environment Impact Assessment (EIA) Notification, 2006, under the Environment (Protection) Act, 1986, coal mining projects undertake EIA studies and prepare Environment Management Plans (EMPs) which are then examined by the sectoral Expert Appraisal Committee (EAC). After recommendation of the EAC, Ministry of Environment Forest and Climate Change (MoEF&CC) grants of Environment Clearance (EC) with certain stipulations.
- (e): Environment Management Plan (EMP) is implemented along with compliance with stipulations of Environment Clearance as measures against river pollution due to coal mining.
