ASPIRE

*33. SHRI RAJENDRA AGRAWAL:

Will the Minister of MICRO, SMALL AND MEDIUM ENTERPRISES be pleased to state:

- (a) whether it is true that A Scheme for Promotion of Innovation, Rural Industries and Entrepreneurship (ASPIRE) has shown accelerated growth in the agro-based industry in the country;
- (b) if so, the number and the details of Incubation Centres established so far, State-wise including Uttar Pradesh; and
- (c) whether Incubation Centres help the startups and if so, the details thereof?

ANSWER

MINISTER OF MICRO, SMALL AND MEDIUM ENTERPRISES
(SHRI NARAYAN RANE)

(a) to (c): A statement is laid on the Table of the House.

**STATEMENT REFERRED TO IN REPLY TO THE PARTS (a) to (c) OF LOK SABHA
STARRED QUESTION No.*33 FOR ANSWERON 08.12.2022**

(a) A Scheme for Promotion of Innovation, Rural Industries and Entrepreneurship (ASPIRE) was launched on 16.03.2015 with an objective of setting up a network of Livelihood Business Incubators (LBIs) and Technology Business Incubators (TBIs) to create new jobs and reduce unemployment, promote entrepreneurship and innovation in agro rural sector. LBI focuses on imparting training and handholding support to local youth for job creation through creation of micro enterprises and wage employment. Till 30.09.2022, 65,467 beneficiaries have been trained in 81 LBIs, of which 16,338 trainees got self-employed and 9,874 trainees got employed in agro rural sector. TBI focuses on providing incubation support to aspiring entrepreneurs and startups for product prototyping and commercialization in agro-rural sector. Till 30.09.2022, through 14 TBIs, 98 Startups have been incubated with over 100 products/services commercialized in the agro rural sector. Besides, ASPIRE has a Fund of Funds component to support, through various Alternate Investment Funds, investment in early stage MSME enterprises and startups in agro rural sector to improve manufacturing of products, supply chain, technology adoption and diversification, market penetration, etc. Till 30.11.2022, under ASPIRE Fund of Funds, 05 AIFs have invested Rs. 579.33 cr. in 91 agro rural based enterprises leading to an increase in turnover by Rs. 4278.77 cr. and creation of 6537 new jobs.

(b) The number and details of incubation centres setup under the schemes of Government of India, State-wise including Uttar Pradesh, are given in **Annexure-I**.

(c) Technology Business Incubators (TBIs) under ASPIRE assist agro rural Startups in developing and commercializing new technologies through incubation support by providing necessary infrastructure such as office space, access to mentors and finance, value added services like IPR, market linkages, etc. The details of Startups supported by ASPIRE TBIs are given in **Annexure-II**.

Under the revised guidelines for LBIs, focus is given on providing support to aspiring entrepreneurs for setting up of formal (registered) micro-enterprises through incubation programmes and support services such as access to finance, guidance on regulatory licenses, Goods & Services Tax (GST) registration, access to vendors, etc. Accordingly, a provision has been made for supporting the LBIs with Operational Expenditure for hiring of dedicated staff, running outreach programmes, etc.

In addition, Government of India provides incubation support through following schemes-

- i. Rashtriya Krishi Vikas Yojana- Remunerative Approach for Agriculture and Allied sector Rejuvenation (RKVY-RAFTAAR), Ministry of Agriculture and Farmer Welfare: Under this scheme, Agribusiness Incubators are setup, which in turn provides mentoring and seed stage funding to Startups in agriculture and allied sectors. A total of 24 RKVY Agribusiness Incubators (R-ABIs) have been established and 1055 start-ups have been selected for financial assistance. (Details given in **Annexure-I**)
- ii. National Initiative for Developing and Harnessing Innovation (NIDHI) scheme, Department of Science & Technology; Under the scheme, TBIs are established to provide support to technology startups by the way of physical workspace, mentoring, legal support, IP/Patent support, etc. A total of 159 TBIs have been established till date. (Details given in **Annexure-I**)

- iii. Pradhan Mantri Formalization of Micro Food Processing Enterprises (PMFME) Scheme, Ministry of Food Processing Industries: The scheme provides support for setting up Incubation Centres which impart training to micro food processing entrepreneurs, Farmer Producer Organizations (FPOs), Self Help Groups, Cooperatives, etc. These Incubation Centres can also be utilized as common food processing facilities by the entrepreneurs on hiring basis. A total of 76 Incubation Centres have been approved under the scheme till date. (Details given in **Annexure-I**)
- iv. Atal Innovation Mission (AIM), NITI Aayog: Atal Innovation Mission supports establishment of incubation centres through its components-Atal Incubation Centres (AICs) and Atal Community Innovation Centres (ACICs). AICs and ACICs focus on creating world class incubation facilities across various parts of India with suitable physical infrastructure in terms of equipment and operating facilities, mentoring support through sectoral experts, business planning support, access to seed capital, industry partners, trainings, etc. in various sectors such as manufacturing, transport, energy, health, education, agriculture, water and sanitation, SDG etc. Till date, 69 AICs and 14 ACICs have been established/operationalized. (Details given in **Annexure-I**)
