RURBAN SCHEME IN ANDHRA PRADESH

*99. SHRI RAM MOHAN NAIDU KINJARAPU:

Will the Minister of RURAL DEVELOPMENT be pleased to state:

- (a) the details of projects sanctioned under RURBAN scheme in the Sompeta cluster of Andhra Pradesh;
- (b) the details of the total amount of funds allocated and released for the project till date, project-wise;
- (c) the details of projects that have been completed, are under construction and running late from the expected timeline;
- (d) the details of reasons for the delays in the projects, if any;
- (e) whether the Government has received any proposal for Critical Gap Funding for a cold storage facility in the Sompeta cluster since 2016; and
- (f) if so, the details thereof including the status of progress of the funded cold storage facility?

ANSWER
MINISTER OF RURAL DEVELOPMENT
(SHRI GIRIRAJ SINGH)

(a) to (f) A statement is laid on the Table of the house

Statement referred in reply to Lok Sabha Starred Question No. 99 to be answered on 13/12/2022.

(a) to (c) 290 works have been sanctioned for Sompeta cluster of Andhra Pradesh under the Shyama Prasad Mukherji Rurban Mission with an estimated investment of Rs. 100 crores, out of which 137 works have been completed, 125 works are ongoing and 28 works have not started. Out of the investment of Rs. 100 crores, Rs. 30 crores has been approved as Critical Gap Fund (CGF) for Sompeta cluster.

(d) Shyama Prasad Mukherji Rurban Mission is a cluster-based programme in which first an Integrated Cluster Action Plan (ICAP) is prepared for the cluster. ICAP lays down the development aspirations of the cluster and is prepared in a consultative manner, detailing the interventions and the outcomes expected in the cluster as a result of implementation of the Mission. Preparation and approval of ICAP is a time-consuming process as it involves consultations and approvals at district, state and national level.

After the approval of ICAP, Detailed Project Reports (DPRs) are prepared for each of the works which have been proposed to be undertaken in the cluster. Prior to the year 2020, DPRs were approved by the State Level Empowered Committee (SLEC) headed by the Chief Secretary of the State and then by the Ministry of Rural Development, Government of India. However, to give more flexibility to the States, the SLECs were empowered to approve DPRs at the State level itself. The States were also given flexibility to modify DPRs based on availability of resources including land, subject to the approval of SLEC. The projects/works were only executed once the DPR was finalized and approved. Since this was a consultative process, it took longer time for initiation of projects.

(e) & (f) The State of Andhra Pradesh received proposal for construction of cold storage facility in Sompeta cluster in the year 2018. However, the work was subsequently cancelled by the State in 2021 due to issues related to Operations and Maintenance of the facility.

Details of work sanctioned for Sompeta cluster of Andhra Pradesh
