ANSWER

पेट्रोलियम और प्राकृतिक गैस मंत्रालय में राज्य मंत्री
(श्री रामेश्वर तेली)

**MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS
(SHRI RAMESWAR TELI)**

(a) and (b) India imports LNG from many countries including Russia. Imports of LNG from Russia have previously been a small proportion of total LNG imports into India. LNG cargoes from Russia are priced as per commercial considerations on the basis of international prices, cost of freight, insurance, etc.

(c) and (d) Question does not arise as there have been no imports of LPG from Russia during the last three years.
