ANSWER

पेट्रोलियम और प्राकृतिक गैस मंत्रालय में राज्य मंत्री
(श्री रामेश्वर तेली)

MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS
(SHRI RAMESWAR TELI)

(a) to (c): Public Sector Oil Marketing Companies (OMCs) report financial results broadly under the segments of downstream petroleum activity including refining and marketing of petroleum products, petrochemicals and other business streams. Considering commercial confidentiality and complexities involved in cost apportionment amongst individual refined products, product-wise costs are not reported separately by the OMCs in their financial statements.

The details of sales of petrol and diesel in four metro cities during the last two years are given below:

Months	Petrol (in Thousand Kilolitre)				Diesel (in Thousand Kilolitre)
