ANSWER

MINISTER OF STATE FOR TRIBAL AFFAIRS
(SMT. RENUKA SINGH SARUTA):

(a): Government has decided to set up one Eklavya Model Residential School (EMRS) in every block with more than 50% ST population and at least 20,000 tribal persons, subject to availability of suitable land to be provided by the State Government. Accordingly, Ministry has set the target of establishing 740 EMRSs in the tribal areas across the country.

(b) to (e): The total number of EMRSs sanctioned in the States of Assam, Maharashtra, Chhattisgarh and Jharkhand are 14, 37, 74 and 91 respectively. The details of EMRSs sanctioned, functional (operational) and non-functional in North East States, Maharashtra, Chhattisgarh and Jharkhand is at **Annexure-I**. As on date, 228 EMRSs are under various stages of construction across the country and details thereof is at **Annexure-II**.

(f) to (h): Construction of EMRS takes a certain time period for completion (around 18 months from the issue of formal sanction order) and academic sessions are commenced as soon as the school building is completed. Besides, all states have been requested to make the sanctioned

EMRSs operational from other government buildings with arrangements of teaching staff till the construction work of the EMRS is completed. The process of construction includes the following steps :-

1. State Government identifies the suitable land and submits documents of suitable land, recommendations etc. to NESTS, MoTA for consideration.
2. Ministry approves the location for construction of EMRSs in the identified sites.
3. NESTS issues formal sanction order to construction agencies to start pre-construction activities.
4. The construction agency organizes survey and prepares Master Layout Plan, Preliminary Estimate and Detail Estimate as per site and submits their report to NESTS for approval.
5. As per approval of DPR, tender is called by Construction agency for awarding and commencing the construction works at identified locations/sites

The reason behind delay, if any, in establishment of EMRS in some locations is mainly due to delay in identification and allotment of suitable land for the construction of EMRS at sanctioned locations by the concerned State Government. Furthermore, forest clearance issues are being noticed at several locations after formal sanction is issued by NESTS. In certain cases, process of land transfer in the name of the State Society is also being delayed by respective state. In addition, some instances of hindrances and encroachment on allotted land also have been brought to notice by construction agencies assigned with task of construction delaying the process of construction and establishment of EMRSs.

Under the scheme of EMRS, funds are released by the Ministry to National Education Society for Tribal Students (NESTS) for implementation of the scheme and NESTS further releases funds to State Societies and Construction Agencies etc. as per their requirements. The details of funds released by the Ministry to NESTS during the last two years is as under:

Financial year	Fund released to NESTS
2020-21	1199.98 Crores
2021-22	1057.74 Crores
