**(a) & (b): As on 15/12/2022, National Investigation Agency has registered 497 cases including Coimbatore blast case. The reason for increase in cases of the National Investigation Agency over the years is due to enhanced capacity of NIA with establishment of new Branch Offices, expansion of its mandate in 2019 by inclusion of certain offences related**

**to human trafficking, manufacture or sale of prohibited arms, cyber-terrorism and the Explosives Substances Act, 1908 in the Schedule of National Investigation Agency Act, 2008.**

**(c) to (e): No, Sir. National Investigation Agency is mandated to investigate and prosecute offences of grave nature affecting the sovereignty, security and integrity of India, security of State, friendly relations with foreign States, matters relating to international treaties, etc., as specified in its Schedule. Cases having gravity including national/international implications are entrusted to NIA without any bias or prejudice.
