MINISTER OF AGRICULTURE AND FARMERS WELFARE

कृषि एवं किसान कल्याण मंत्री (SHRI NARENDRA SINGH TOMAR)

(a)&(b): Rashtriya Krishi Vikas Yojana (RKVY) scheme was initiated as an umbrella scheme for ensuring holistic development of agriculture and allied sectors by allowing states to choose their own development activities as per their priorities. The Scheme has been revamped as Rashtriya Krishi Vikas Yojana - Remunerative Approaches for Agriculture and Allied Sector Rejuvenation (RKVY-RAFTAAR) for implementation from 2017-18.

The State Governments can take up projects related to agriculture and allied sectors, including agriculture infrastructure development, under the scheme in various sectors such as crop development, horticulture, agricultural mechanization, marketing & post-harvest management, micro irrigation, organic farming etc. as per their needs and priorities. List of projects approved by some States for infrastructure development under RKVY-RAFTAAR during the last three years is given at Annexure – I

(c): This Ministry is also providing financial assistance to eligible individuals, farmers, agripreneurs and Farmer Producer Organizations (FPOs) etc. for creation of agri-infrastructure under various schemes. The list of the schemes is given in Annexure-II.

Annexure - I
