Government of India supplements the efforts of the States by providing technical and financial assistance. Jal Jeevan Mission follows universal approach with the aim of providing tap water supply to all rural households in the country. Accordingly, all villages are included in the scope of the Mission. The State/ UT, district and village-wise progress as well as status of provision of tap water supply under JJM is available in public domain (<https://ejalshakti.gov.in/jjmreport/JJMIndia.aspx>).
