ANSWER

MINISTER OF STATE FOR MICRO, SMALL AND MEDIUM ENTERPRISES
(SHRI BHANU PRATAP SINGH VERMA)

(a) Scheme for Fund for Regeneration of Traditional Industries (SFURTI), implemented by the Ministry of MSME, focuses on organizing traditional industries and artisans into collectives as manufacturing enterprises for value added production resulting in sustainable increase in artisan income. The traditional sectors covered under SFURTI include textiles, handicrafts, bamboo, agro-processing, honey, khadi, coir, etc. Under the scheme, Government of India assistance is given upto Rs. 2.5 cr. for Regular clusters with upto 500 artisans and upto Rs. 5.00 cr. for Major clusters with more than 500 artisans. The interventions include infrastructure creation such as establishment of Common Facility Centre (CFC), procurement of new machineries and raw material, capacity building, design and marketing linkage, exposure visit, etc.

(b) & (c) Since 2014-15 till 30.11.2022, 498 clusters have been approved under SFURTI, benefitting around 2.94 lakh artisans, with Government of India assistance of Rs. 1292 cr. In Bihar, 10 clusters have been approved, benefitting 6176 artisans, with Government of India assistance of Rs. 29.54 cr. Of the approved clusters, 266 clusters have become functional till date, including 5 clusters in Bihar. The State-wise list of approved clusters along with funds allocated and number of artisans, including weavers, assisted under the scheme is at **Annexure**.

(d) The scheme is presently under consideration for continuation. However, the target for setting up SFURTI clusters since 2014-15 to 2021-22 was 400 clusters against which 498 clusters have been approved which is an achievement of 125 percent.

Annexure referred to in reply to part (b and c) of the Lok Sabha Unstarred Question No. 2754 for answer on 22.12.2022
