

GOVERNMENT OF INDIA
MINISTRY OF JAL SHAKTI,
DEPARTMENT OF WATER RESOURCES, RIVER DEVELOPMENT & GANGA REJUVENATION
LOK SABHA

UNSTARRED QUESTION NO. 304

ANSWERED ON 08.12.2022

REJUVENATION OF WATER BODIES

304 SSHRI MANISH TEWARI

Will the Minister of JAL SHAKTI be pleased to state:-

- (a) the details of water bodies revitalisation/ rejuvenation projects under the Ministry from 01.06.2014 till 01.11.2022, location and year-wise;
- (b) the details of date of project approval, project status and project deadline for completion and extension of the projects;
- (c) the funds allocated, approved and utilised for water bodies revitalisation/rejuvenation projects, Statewise;
- (d) whether the Government proposes to clean water bodies in Punjab under the water bodies rejuvenation projects; and
- (e) if so, the details thereof and if not, the reasons therefor?

ANSWER

THE MINISTER OF STATE FOR JAL SHAKTI

(SHRI BISHWESWAR TUDU)

(a) to (c) The State Governments are mandated to take up re-vitalisation and rejuvenation of water bodies in their respective State. However, this Ministry is providing partial financial assistance to the identified projects under the scheme Repair, Renovation and Restoration (RRR) of Water Bodies, which is a component of Pradhan Mantri Krishi Sinchayee Yojana –Har Khet Ko Pani (PMKSY-HKKP).

The details of water bodies re-vitalised/ rejuvenated with financial assistance under the above scheme of this Ministry, for the period 2014-15 till date, State and year wise, are given at **Annexure-I**.

Further, approval of a cluster of projects is normally the financial year in which its first installment is released. The work is targeted for completion in two years subsequent to the release of first installment. However, in deserving cases, time extension is also being provided by this Ministry on case to case basis.

Apart from the above scheme, in 2019, renovation of traditional water bodies is also being supported by this Ministry under Jal Shakti Abhiyan. The campaign was launched in 2019, followed in 2021, by “Jal Shakti Abhiyan: Catch The Rain” (JSA:CTR) campaign. Focused interventions under these annual campaigns taken up by the Government of India and the State Governments, inter-alia, include renovation of traditional and other water bodies/ tanks, enumeration, geo-tagging and making inventory of all water bodies, and removal of encroachments of tanks/ lakes, and de-silting of tanks, and protection of water catchment area. After inclusion of hte activitiy under this Ministry's Jal Shakti Abhiyan in 2021, details of the water bodies covered under the Jal Shakti Abhiyan of this Ministry is placed at **Annexure-II**.

(d) & (e) Government of Punjab is yet to submit any proposal for financial assistance under RRR of Water Bodies scheme in the last five years.

State wise details of works under Repair, Renovation and Restoration of water bodies scheme for the period 2014-2022

S N	State	No. of water bodies	Estimated cost (Rs. in crore)	Target irrigation potential (thousand hectare)	Central assistance provided (Rs. in crore)									Potential restored till Nov 2022 (thousand hectare)	Renovation works completed (number of water bodies)
