

**GOVERNMENT OF INDIA
MINISTRY OF HEALTH AND FAMILY WELFARE
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**LOK SABHA
UNSTARRED QUESTION NO. 539
TO BE ANSWERED ON 09th December, 2022**

ONE DISTRICT, ONE HOSPITAL PLAN

**539. SHRI SANGANNA AMARAPPA:
SHRI SHA. BRA. DR. JAI SIDDESHWAR SHIVACHARYA MAHASWAMIJI:
SHRI L.S. TEJASVI SURYA:
SHRI PRATHAP SIMHA:
DR. UMESH G. JADHAV:**

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) whether the Government proposes to roll out One District, One Hospital project in the country and if so, the details thereof along with the progress made thereunder, State/UT-wise;
- (b) the number of hospitals sanctioned, set up, functional, under construction, under Upgradation, State/UT-wise including in Karnataka and Maharashtra;
- (c) whether the Government has any target date for completion of the One District, One Hospital vision; and
- (d) if so, the details thereof?

**ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY
WELFARE
(DR. BHARATI PRAVIN PAWAR)**

(a): There are IPHS 2022 Guidelines laid down by the government to provide guidance on the infrastructure, human resources, drugs, diagnostic, equipment, quality and governance requirements for delivering health services at various level of facilities-SHCs, PHCs, CHCs, Sub district hospital and DH. According to IPHS 2022- “Every district should have at least one district hospital which should be comprehensively functional for providing secondary care services”.

Rural Health Statistics (RHS) is an annual publication, based on Health care administrative data reported by States/UTs. As per the RHS 2020-21, there are 764 District Hospitals functioning in the country which are catering to both rural and urban areas in the States/UTs . The norms for primary and secondary care facilities have been laid down as per IPHS 2022.

(b) to (d): Health is a state subject. In addition, Ministry of Health and Family Welfare provides technical and financial support to the States/UTs to strengthen the public healthcare delivery at public healthcare facilities. Under National Health Mission (NHM), the central government provides technical and financial support to States/UTs based on proposals received from respective States/UTs in their Programme Implementation Plan (PIPs). The proposals are appraised in National Programme Coordination Committee (NPCC) meetings and approvals are accorded to States/ UTs in the form of Record of Proceedings (RoPs). Central share under NHM is released to the respective States, which in turn releases to the Districts.

Further, as per Rural Health Statistics 2020-21, the state-wise number of district hospitals is at **Annexure-I**.

State/UT-wise details of number of District Hospitals (as per RHS 2020-21)

S.N.	State/UT	No. of Districts (RHS 2020-21)	District Hospital (DH) (RHS 2020-21)
