ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE
(DR. BHARATI PRAVIN PAWAR)

(a) to (c): Government of India has formulated a scheme for setting up of Multi Disciplinary Research Units in Government Medical Colleges/Research Institutes. The main objective of the scheme is to create and strengthen research environment in these colleges/institutes. Proposals received under the scheme are considered by the Technical Evaluation Committee (TEC) and the proposals recommended by the TEC are considered by the Approval Committee. Government releases funds for MRU projects once any MRU is approved for establishment.
