ANSWER

MINISTER OF STATE IN THE MINISTRY OF EDUCATION

(DR. SUBHAS SARKAR)

(a) to (d): The implementation of the National Education Policy 2020 (NEP 2020) requires multiple initiatives and actions, which will have to be taken by multiple bodies in a synchronized and systematic manner. The policy provides different timelines as well as principles and methodology for its implementation. NEP 2020 also provides for careful planning, joint monitoring and collaborative implementation by Central and States for execution of this policy. Accordingly, Ministry of Education, State Governments including Rajasthan, education-related Ministries, the regulatory and implementing bodies of school and higher education such as University Grants Commission, All India Council for Technical Education, National Council for Teacher Education, National Council of Educational Research and Training, Central Board of Secondary Education, Universities/Colleges/Schools etc. have started taking initiatives for implementation of NEP 2020.

Since Education is in the concurrent list of Constitution, a number of consultation-cum-review meetings for handholding for implementation of NEP have been held with States/UTs from time to time. Implementation of NEP 2020 was one of the agenda items in the 1st National Conference of Chief Secretaries held from 15th to 17th June 2022 and 7th Governing Council Meeting of NITI Aayog held on 7th August 2022. Majority of States/UTs including Rajasthan have started implementation of the NEP 2020.
