(a) and (b) The Amrit Bharat Station Scheme has recently been launched for development of Railway stations on Indian Railways. This scheme envisages development of stations on a continuous basis with a long-term approach.

It involves preparation of Master Plans and their implementation in phases to improve the amenities at the stations like improvement of station access, circulating areas, waiting halls, toilets, lift/escalators as necessary, cleanliness, free Wi-Fi, kiosks for local products through schemes like 'One Station One Product', better passenger information systems, Executive Lounges, nominated spaces for business meetings, landscaping etc. keeping in view the necessity at each such station.

The scheme also envisages improvement of building, integrating the station with both sides of the city, multimodal integration, amenities for Divyangjans, sustainable and environment friendly solutions, provision of ballast less tracks, 'Roof Plazas' as per necessity, phasing and feasibility and creation of city centres at the station in the long term.

Presently, the scheme envisages to take-up 1275 stations for upgradation/modernisation over Indian Railway. The list of state-wise stations identified to be taken up under the Amrit Bharat Station Scheme is appended.

(c) The details of allocation of funds for development and maintenance of stations are maintained zonal Railway-wise and not work-wise or Station-wise. The details of funds allocated by Indian Railway for development and maintenance of stations under Plan Head-53 'Customer Amenities', since 2019-20 are as under: -
