

**GOVERNMENT OF INDIA
MINISTRY OF COAL
LOK SABHA
UNSTARRED QUESTION NO. 1096
TO BE ANSWERED ON 08.02.2023**

Present Coal Production in the Country

1096. SHRI JASWANT SINGH BHABHOR:

Will the Minister of Coal be pleased to state:

- (a) the details of the present quantum of coal production and annual consumption of coal in the country;
- (b) the action taken by the Government to increase the production of coal to meet the demand in the country; and
- (c) the details thereof?

**ANSWER
MINISTER OF PARLIAMENTARY AFFAIRS, COAL AND MINES
(SHRI PRALHAD JOSHI)**

(a): The details of the present quantum of coal production and annual consumption of coal in the country :

Figure in Million Tonnes (MT)				
Years	All India Actual Coal Production	All India Actual Coal Dispatch	Total Import	Total Actual Demand/ Consumption of Coal (Import + Dispatch)
2021-22	778.19	818.99	208.93	1027.93
2022-23 (Provisional)	698.24*	719.86*	168.00 **	-
* Upto January, 2023				
** Upto November, 2022				

(b) & (c): The all India coal production in the year 2021-2022 was 778.19 Million Tonne (MT) in comparison to 716.08 MT in the year 2020-2021. Further, in the current financial year upto January, 2023, the country has produced about 698.24 MT of coal as compared to about 602.49 MT during the same period of last year with a growth of about 16 %. The following measures taken by the Government to enhance the production of coal in the country:

- i. Regular reviews by Ministry of Coal to expedite the development of coal blocks.
- ii. Enactment of Mines and Minerals (Development and Regulation) Amendment Act, 2021 for enabling captive mines owners (other than atomic minerals) to sell up to 50% of their annual mineral (including coal) production in the open market after meeting the requirement of the end use plant linked with the mine in such manner as may be prescribed by the Central Government on payment of such additional amount.

- iii. Single Window Clearance portal for the coal sector to speed up the operationalization of coal mines.
- iv. Project Monitoring Unit for handholding of coal block allottees for obtaining various approvals / clearances for early operationalization of coal mines.
- v. Commercial auction of coal blocks on revenue sharing basis. Under commercial mining scheme, rebate of 50 % on final offer would be allowed for the quantity of coal produced earlier than scheduled date of production. Also, incentives on coal gasification or liquefaction (rebate of 50 % on final offer) have been granted.
- vi. Coal India Limited is adopting Mass Production Technologies (MPT) in its Underground (UG) mines, mainly Continuous Miners (CMs), wherever feasible. Coal India Limited has also envisaged working large numbers of Highwalls (HW) mines in view of the availability of Abandoned / Discontinued mines. Coal India Limited is also planning large capacity UG mines wherever feasible.
- vii. In its Opencast (OC) mines, Coal India Limited already has State-of-the-Art technology in its high capacity Excavators, Dumpers and Surface Miners. Digitization is being tried on pilot scale in 7 of its mega mines and shall be replicated further.
- viii. SCCL is expediting the activities to ground new 8 mines (7 mines in Telangana & one in Odisha).
