MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF STATISTICS
AND PROGRAMME IMPLEMENTATION, MINISTER OF STATE (INDEPENDENT
CHARGE) OF THE MINISTRY OF PLANNING AND MINISTER OF STATE IN THE
MINISTRY OF CORPORATE AFFAIRS

(RAO INDERJIT SINGH)

- (a) The Aspirational Districts Programme was launched on 5th January, 2018 with the objective to bring transformative changes in the most under-developed 112 districts in India called Aspirational Districts. The Programme aims at rapid transformation of these districts in the State across sectors which are critical for improving quality of life or economic productivity of citizens and these sectors are Health and Nutrition, School Education, Basic Infrastructure, Agriculture and Water Resources and Financial Inclusion & Skill Development.

All districts have shown significant improvements in the key performance indicators which are monitored under the programme. Every month, districts register their progress in key performance indicators of these sectors and are ranked on the basis of performance. This robust monitoring and ranking of the districts instills them with a sense of competition which results in rapid improvement. The details of District wise detail of progress made under this programme is available in public domain in the Portal (<http://championsofchange.gov.in/site/coc-home/>).

- (b) There are 112 Aspirational Districts in the country and they are spread across 26 States and 1 Union Territory. The State-wise list of all 112 Aspirational Districts is attached as **Annexure – I**.
- (c) The details of funds released to each Aspirational District in the country, based on performance, district-wise is given in **Annexure II**.
- (d) and (e) No sir, the government has not started development programmes with the help of private companies in any block of the country declared as Aspirational Blocks.

The Government launched the Aspirational Blocks Programme, on the template of the Aspirational Districts Programme, on 7th January 2023. The regions identified under this programme are referred to as Aspirational Blocks.
