ANSWER

**THE MINISTER OF STATE IN THE
MINISTRY OF HOUSING AND URBAN AFFAIRS
(SHRI KAUSHAL KISHORE)**

- (a) to (d): Urban Transport, which is an integral part of urban development, is a state subject. Therefore, formulation of proposals in regard to Regional Rapid Transit System (RRTS) project with appropriate funding pattern, along with preparation of Comprehensive Mobility Plan, Alternative Analysis Report, Detailed Project Report etc., are done by the respective State Government(s). Central Government considers financial and technical assistance to these Projects as and when posed by concerned State Government(s). Central Government has not received any proposal of RRTS project from Government of Andhra Pradesh.**

(e) & (f): The Rolling Stock for the India's first Regional Rapid Transit System (RRTS) is being procured through competitive bidding process from M/s Alstom Transport India Limited, Gujarat under Make in India policy of Central Government. As such there is no proposal of Central Government for setting up of any RRTS Rolling Stock manufacturing plants in any of the States including Andhra Pradesh.
