- (d) whether the Government proposes to sanction the said pending forty seats to the Navodaya School in Kolar District of Karnataka?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(SMT. ANNPURNA DEVI)**

- (a) The maximum number of students who can be admitted in class VI in each Jawahar Navodaya Vidyalaya (JNV) every year is 80, subject to availability of qualified candidates in JNV Selection Test for class VI and infrastructure available in the JNV concerned.

Details of intake of students for class VI during the last three years, are as under:

Year	No. of Students selected for Admission
2020-21	45291
2021-22	46430
2022-23	46714

- (b) to (d) In all JNVs having appropriate accommodation facilities, 80 students are selected per JNV for admission to class VI. If there is shortage of accommodation for students, NVS restricts the admission of students in class VI. At present, JNV Kolar has restricted the admission of students in class VI to 40, due to ongoing construction of accommodation facility for students.
