THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

- (a) to (c) The Government intends to increase the role of private players in construction of roads in the country as a continuous process.**

NHAI is also executing its majority of projects in Hybrid Annuity Mode (HAM) with 60% share of private participation. Efforts are being made to achieve atleast 10% target to execute projects on BOT (Toll) mode in NHAI.

NHAI is also monetizing the assets on Toll Operate Transfer (TOT)/Infrastructure Investment Trust (InvIT) which were built on EPC/HAM/Annuity, thereby attracting private investments in these modes (TOT/InvIT).
