

GOVERNMENT OF INDIA  
MINISTRY OF AGRICULTURE AND FARMERS WELFARE  
DEPARTMENT OF AGRICULTURE AND FARMERS WELFARE

**LOK SABHA**  
**UNSTARRED QUESTION 2297**  
TO BE ANSWERED ON 14<sup>th</sup> MARCH, 2023

**RISE IN COST PRODUCTION**

2297. SHRI HANUMAN BENIWAL:

Will the Minister of AGRICULTURE AND FARMERS WELFARE कृषि एवं किसान कल्याण मंत्री be pleased to state:

- (a) the extent of rise in the cost of production of various crops during the last five years including the details thereof;
- (b) the extent of rise in the support prices of crops and commodities during the last five years including the details thereof;
- (c) the percentage of agricultural produce purchased at support price compared to the production in various States of the country including Rajasthan during the last five years including the data thereof;
- (d) whether the Government proposes to enact any law regarding guaranteed purchase at support price; and
- (e) if so, the details thereof ?

**ANSWER**

MINISTER OF AGRICULTURE AND FARMERS WELFARE कृषि एवं किसान कल्याण मंत्री  
(SHRI NARENDER SINGH TOMAR)

(a) & (b): Government fixes Minimum Support Prices (MSPs) for twenty-two (22) mandated crops based on the recommendations of the Commission for Agricultural Costs & Prices (CACP) after considering the views of concerned State Governments and Central Ministries/Departments. The 22 mandated crops include 14 Kharif crops viz. paddy, jowar, bajra, maize, ragi, arhar, moong, urad, groundnut, soybean (yellow), sunflower seed, sesamum, nigerseed, cotton and 6 Rabi crops viz. wheat, barley, gram, masur (lentil), rapeseed & mustard, safflower and two commercial crops viz. jute and copra.

While recommending MSPs, CACP considers important factors like cost of production, overall demand-supply situation of various crops in domestic and global markets, domestic and international prices, inter-crop price parity, terms of trade between agricultural and non-agricultural sector, likely effect of price policy on rest of the economy and a minimum of 50 percent as the margin over cost of production. The estimated all India weighted average cost of production (operational and imputed value of family labour) and MSP of mandated crops during the last five years is attached in **Annexure I & II**.

(c): State-wise production and procurement of wheat and paddy (in terms of rice) for Central Pool during the last five years is enclosed as **Annexure – III & IV** respectively.

(d) to (e): The Union Budget for 2018-19 had announced the pre-determined principle to keep MSP at levels of one and half times of the cost of production. Accordingly, Government has increased the MSPs for all mandated Kharif, Rabi and other commercial crops with a return of atleast 50 per cent over all India weighted average cost of production from the agricultural year 2018-19. Government also extends price support for foodgrains through FCI and other agencies subject to FAQ (Fair Average Quality) specifications. Government also intervenes in the market through PM-AASHA for Oilseeds and Pulses, where market price falls below MSP, subject to extant guidelines.

Annexure referred in reply to part (a to b) of Lok Sabha unstarred Question no. 2297 due for reply on 14/03/2023
