पेट्रोलियम और प्राकृतिक गैस मंत्रालय में राज्य मंत्री
(श्री रामेश्वर तेली)

MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS
(SHRI RAMESWAR TELI)

(a) to (e): India imports more than 60% of its domestic LPG consumption. The average Saudi Contract Prices (CP) on which the domestic LPG prices are based, increased from US\$ 454/MT to US\$ 693/MT during 2019-20 to 2021-22. During 2022-23 the Saudi CP has further risen to US\$ 790/MT for February 2023. However, Government continues to modulate the effective price of domestic LPG. Public Sector Oil Marketing Companies have suffered huge losses on sale of domestic LPG. To compensate these losses, the Government has recently paid a one-time compensation of Rs. 22000 crore to OMCs. W.e.f. 21.05.2022, Government has started a targeted subsidy of Rs. 200 per 14.2 Kg cylinder for Pradhan Mantri Ujjwala Yojana (PMUY) beneficiaries for upto 12 refills for year 2022-23. The Retail Selling Price (RSP) of domestic LPG at Delhi on 21.05.2022 was Rs. 1003 per cylinder. As on 01.03.2023, RSP of domestic LPG at Delhi is Rs. 1103 per cylinder and effective price for PMUY consumers is Rs. 903 per cylinder.
