

GOVERNMENT OF INDIA
MINISTRY OF NEW AND RENEWABLE ENERGY
LOK SABHA
UNSTARRED QUESTION NO. 2712
ANSWERED ON 16.03.2023

PRODUCTION OF GREEN AMMONIA

2712. SHRI BRIJENDRA SINGH

Will the Minister of New and Renewable Energy be pleased to state:

- (a) whether the Government has planned to encourage the production of 'Green Ammonia' which is produced through an environment-friendly process;
- (b) if so, the details thereof; and
- (c) the details of proposed Green Ammonia plants in the country, State/UT-wise?

ANSWER

THE MINISTER OF NEW & RENEWABLE ENERGY AND POWER

(SHRI R.K. SINGH)

(a) to (c) On 4th January 2023, the Union Cabinet approved the National Green Hydrogen Mission. The Mission proposes to undertake various financial and non-financial measures to promote production, usage and export of Green Hydrogen and its derivatives, including inter alia Green Ammonia.

As per recent news reports, various entities have announced plans to set up Green Ammonia plants in the country. However, the Ministry does not have an exhaustive list of such announcements.
