THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(a) to (c) State / Union Territory (UT)-wise details of State Roads, including State Highways (SHs), notified as National Highways (NHs) during the last three years and the current year are annexed.

The Ministry keeps on receiving proposals from various State Governments / UTs for declaration / upgradation of State roads, including SHs, as new NHs. The Ministry considers declaration of some State roads, including SHs, as NHs from time to time based on the requirement of connectivity, inter-se priority and availability of funds.

Development and maintenance of NHs is a continuous process. Works on notified NHs are taken up accordingly as per traffic density, condition of road, inter-se priority and availability of funds to keep the NHs in traffic worthy condition.
