

**GOVERNMENT OF INDIA
MINISTRY OF FINANCE
DEPARTMENT OF PUBLIC ENTERPRISES**

LOK SABHA

UNSTARRED QUESTION No. 3059

ANSWERED ON 20.03.2023

National Assets Monetization

3059. SHRIMATI MALA ROY:

Will the Minister of FINANCE be pleased to state:

- a) Whether the Government has achieved the targets of National Assets Monetization programme in the last three years and if so, the details thereof;
- b) the details of the targets set and the achievement made by the Government under the programme during the same period; and
- c) the details and the number of assets identified by the Government in the State of West Bengal?

**ANSWER
THE MINISTER OF STATE FOR FINANCE
(DR. BHAGWAT KISHANRAO KARAD)**

NITI Aayog has informed that:

(a) & (b): The aggregate indicative value of the asset pipeline over the 4-year period from FY22 to FY25 under National Monetization Pipeline (NMP) is estimated at Rs 6.0 lakh crore. This monetisation value refers to value expected to be realised by respective public sector asset owners through the monetisation process, either in form of accruals or by way of private sector investments. The NMP was launched in August 2021 and FY21-22 was the first year of its implementation. As per the phasing under NMP, monetisation value of Rs. 0.88 lakh crore was envisaged for FY 21-22.

During FY 21-22, transactions with an aggregate monetisation value of about Rs. 97,000 crores in terms of accruals or private investments, were completed under the core asset monetisation programme.

(c) The assets identified under the NMP in the State of West Bengal fall under various sectors including toll roads, railways, optical fibre network and port terminals.
