ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SHRI RAMESWAR TELI)**

(a): The National Highways, elevated road construction companies and other construction agencies are covered under Building and Other Construction Workers (RE&CS) Act, 1996 for purpose of ensuring safety measures at construction site. In case of any violation of labour laws and safety measures, the appropriate action is taken under provisions of the Act.

(b): The list of names of the companies against whom the action has been taken in the Central Sphere during the last three years, State-wise is enclosed as Annexure.

(c): The Government has devised a well-designed inspection scheme covering such establishments. Special programmes are organised from time to time for implementation of safety measures through inspection at construction sites in the Central Sphere under the provision of BOCW (RE&CS) Act, 1996 to enforce the compliance of safety provisions. Besides, sensitisation programmes for safety measures are also conducted from time to time.

Annexure referred to in reply to Part (b) of Lok Sabha Unstarred Question No. 3116 for 20.03.2023 regarding “Violation of Labour Laws in Construction of National Highways”.
