ANSWER

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI NITYANAND RAI)

(a) to (c): Fifteenth Finance Commission (XV-FC) had noted that coastal and river erosion can have serious adverse socio-economic consequences. It had considered two aspects related to erosion i.e. mitigation measures to prevent erosion [(under National Disaster Mitigation Fund (NDMF)] and resettlement of displaced people affected by erosion [under National Disaster Response Fund (NDRF)].

Accordingly, to mitigate the risk of erosion, XV-FC had recommended an allocation of Rs. 1,500 crore from NDMF for the award period 2021-22 to 2025-26. The guidelines on constitution and administration of the National Disaster Mitigation Fund (NDMF) have been issued on 28.02.2022.

Further, for resettlement of displaced people affected by erosion, XV-FC had recommended that both the Union and State Governments develop a policy to deal with the extensive displacement of people caused by coastal and river erosion. To implement such policy, XV-FC had recommended an allocation of Rs. 1,000 Crore at the national level under the Recovery & Reconstruction Funding Window of NDRF. The State Governments can request assistance from the resources available through the Recovery & Reconstruction Funding Window of NDRF.

(d): No State wise fund had been allocated by XV-FC for erosion-hit communities under SDRF and NDRF. However, funds allocated under SDRF and released under NDRF to Meghalaya and Assam is given below:-

| S. No. | State | Year-wise allocation of fund under SDRF | | | Year-wise release of fund under NDRF | | |

| | | 2020-21 | 2021-22 | 2022-23 | 2020-21 | 2021-22 | 2022-23 |

| 2 | Meghalaya | 58.40 | 60.80 | 64.80 | 16.52 | | |
