Under the aegis of SAUBHAGYA, as on 31.03.2019, all households were reported electrified by the States, except 18,734 households in Left Wing Extremists (LWE) affected areas of Chhattisgarh. Subsequently, seven States namely Assam, Chhattisgarh, Jharkhand, Karnataka, Manipur, Rajasthan and Uttar Pradesh had reported that around 19.09 lakh un-electrified households, identified before 31.03.2019, which were unwilling earlier but later expressed willingness to get electricity connection. This was also sanctioned. All these seven States had reported 100% household electrification as on 31.03.2021. A total of 2.817 crore households were electrified since the launch of SAUBHAGYA, up to 31.03.2021.

Accordingly, a total 2.86 crore households have been electrified. State-wise details are at Annexure. The schemes stands closed on 31.03.2022.

Following steps were taken by the Government for implementation and completion of the projects:

Besides this, the progress of scheme was also being reviewed with the States / Power Utilities in Review, Planning and Monitoring (RPM) meetings of Ministry of Power.

(ii) At State level, a Committee under the Chairmanship of Chief Secretary monitored the progress to resolve issues relating to implementation. Further, the progress was reviewed on a monthly basis and on a fortnightly basis.

(iii) Rural Electrification Corporation Limited (REC), the nodal agency, monitored implementation of the scheme through its State Offices at field level.

(iv) At District level, (DISHA) District Development Coordination & Monitoring Committee meetings [under the aegis of Ministry of Rural Development and District Electricity Committee(DEC)] headed by senior-most Hon'ble Member of Parliament (Lok Sabha) of the District & other MPs of the district as co-chair with District Magistrate as Convener, reviewed the progress.
