All the States/UTs have been directed by the Hon'ble Supreme Court in SMWP(C) No.6 of 2021 In Re. Children in Street Situations to upload the data of children who have been identified to be in street situations. The children in street situation are produced before the Child Welfare Committee for appropriate orders of rehabilitation as children in need of care and protection. NCPCR has issued suggestions to all the States/UTs for rehabilitation of street children. These include (i) identification, rescue and rehabilitation of children in street situations, (ii) monitoring of status of children in street situations on a regular basis (iii) review of status of rehabilitation of Children in Street Situations, (iv) other rehabilitation measures for children in street situations like, health screening, counselling, education, linking with different schemes.

Further, the Ministry regularly follows up with the State/ UT Governments so as to ensure that Child Care Institutions (CCIs) adhere to the standards of care as per the JJ Act, 2015 provisions. Various advisories have been sent to all States/UTs regarding mandatory inspection of all CCIs.
